Chris,

I just wanted to send you a quick note to thank you and your team for spending the day with us to learn more about our capabilities.

I firmly believe that we can put solutions and processes in place to help MCFA better serve your dealer network end users, as well as reduce production cost and speed information time to market.

If you have any questions, please feel free to contact me, Bob, or Heather at anytime.

I apologize for not being at my best during your visit. Since your departure on Tuesday, I have been home ill with the flu for the past two days. My hope is that I did not infect anyone during your visit.

Best Regards,
Dale
